

Domestic Airlines Revenue Index

The BLX Domestic Airline Revenue Index provides the only pure play exposure to revenue changes in the US Airlines sector. Priced daily, the index reflects changes in the aggregate revenue for the trailing twelve months. With a product license, fund sponsors may create ETNs, derivatives, swaps, one-off structured notes, and other OTC products whose underlying constituents or performance are linked to the value of this index. Investors interested in licensing the index should send inquiries to sales@blxglobal.com
