

# FAANG Earnings Index

The BLX Global FAANG Earnings Index provides the only pure play exposure to earnings growth of the “FAANG” Stocks: Facebook, Apple, Amazon, Netflix and Google. Priced daily, the index reflects changes in the aggregate net income for the trailing twelve months based on SEC filings. With a product license, fund sponsors may create ETNs, derivatives, swaps, one-off structured notes, and other OTC products whose underlying constituents or performance are linked to the value of this index. Investors interested in licensing the index should send inquiries to [sales@blxglobal.com](mailto:sales@blxglobal.com)
